

The diagram shows a large rectangular area with rounded corners, bounded by a solid black line. Inside this area, there are three horizontal dashed lines. The top dashed line is blue and is labeled 'Bleed size (afloop)'. The middle dashed line is black and is labeled 'End size'. The bottom dashed line is blue and is labeled 'Safe area'. Arrows point from each label to its corresponding dashed line. The text 'STRETCH WALL ARCH 200X230' and a list of instructions are located in the bottom half of the diagram, below the 'Safe area' line.

Bleed size (afloop)

(width:203 x height:246cm)

Extend background colors and images through this line

End size

(width:198 x height:240cm)

Final finished size

Safe area

Do not place fonts and graphics over the blue line
