

Technical data sheet

Reference: **Fastex O8 500D**

Description: PU coated 500D polyester fabric, fire retardant, water resistant, UV stabilized

Characteristic:

Specification	Value	Unit	Test method
Total weight	210 ±5%	g/m ²	ISO 3801
Yarn	500 x 500	D	ISO 7211/5
Breaking strenght (Warp/Weft)	1670 / 1390	N/5cm	EN ISO 1421: 2017
Tear strenght (Warp/Weft)	90 / 100	N	EN ISO 4674-1: 2004
Temperature resistance	-30 / +70	°C	DIN 53361
Hydrostatic head	2500	mm	ISO 811-1981
Flame retardancy	B1		DIN 4102-1

Standard colors

The product **Fastex O8 500D** is defined as type of fabric for manufacturing of tents, inflatable objects, furniture covers and advertising banners.
